

# ST. AUGUSTINE'S *NEW* HISTORIC DOWNTOWN PARKING FACILITY

“With streets designed to accommodate horses instead of automobiles, finding a parking place in St. Augustine’s historic district frequently presented visitors with an unwanted challenge. Now that has all changed. The new Historic Downtown Parking Facility opened in July with nearly 1200 parking spaces within a two-block walk of the historic attractions, shopping and restaurants.”

1,170 spaces ~ Mediterranean-style parking facility ~ 24-hour security
